Hello Jennifer,

I added the missing page, the invoice actually, to the MPR file for WA 3-28, for the November reporting period.

Sorry it was not there originally. Please let me know if you need anything else.

Gwen

Progress Report for October 27, 2014 through November 23, 2014 is missing a page. Here's a screen shot of the page in the December report and other reports but not in the November report.

thanks

Hi Jennifer, I just checked my voicemail box and received a message about you missing a page to a progress report.

Unfortunately, I did not write down the month in which it was you were missing a page from. When you have a moment, would you mind letting me know what month it is and I'll see if Tetra Tech can resend the MPR for WA 3-28.

Gwen, I'm just "cc'ing" you on this email as Jennifer may be requesting the you please send another MPR for WA 3-28.

Thanks again everyone,

Rob

Thanks,

Rob
